Tenney High School
1956

We, the Senior Class of Tenney High School, humbly dedicate this yearbook to Mr. Daniel G. Tenney, Sr. This yearbook, which depicts the four years of our class, is the most fitting way that we can thank the Tenney Family for their generous gifts of the school site and the Tenney Educational Fund.

In a constantly changing world, memories are often replaced by thoughts of current interest. Sorrow and happiness, good things and bad—in short, everything in our lives helps us to forget the past. Despite this fact, there are some things in life which none of us will ever forget. We, the Yearbook Staff, have tried to capture some of these happy memories of our High School days and put them down on paper. We hope that, in your eyes, we have accomplished this aim.
